How much does a re-celled NiCad battery cost?

If two or more are re-celled in the same order,prices are reduced,ie Hilti 36V re-celled with 3.3Ah NICAD's is £100 per battery. For two is £190. Higher capacities are available on request but will be more expensive. To find out how many cells are in your pack - divide the Voltage of the battery by 1.2V for each cell.

Can a battery pack be repaired?

Note: Repairs work best if the battery pack has recently failed. If it failed several months/years ago and been left in a discharged state,especially in an unheated outbuilding during the winter months,it's unlikely it will repair welland may require re-celling.
