

# Customs classification of solar cell modules

What is the customs duty for solar PV module?

Custom Import duty of Other is 0% under HS Code 85414019. IGST for the product Solar Pv Module are is 18% and total duty for above product is 18% with Import Policy HS Code 85414019 Description Other Customs Duty (%) 0% IGST 18% Compensation Cess 0% Specific Duty (%) Not Applicable Pref Duty (%) Not Applicable Total Duty (%) 18% Import Policy

What is the tariff classification of solar panels?

Tariff classification of Solar Panels. An ambiguity between 8501 (electric...generators) and 8541 (...photosensitive semiconductor device) Licenced Customs Broker, Bachelor of Law. With solar module prices fall, the demand for them is surging, prompted by government policies to accelerate the transition to clean energy technologies.

Can a solar panel with a junction box be classified as 8541?

In accordance with these legal notes, Australian Customs provided a Tariff Precedent 22835300 which advises that a solar panel with a junction box, equipped with diodes and connectors should be classified as 8541.

Why is a solar panel classified as 8501?

In this ruling the solar panel equipped with bypass diodes was classified to 8501, mainly because Customs used an Explanatory Note (EN) 8541 (B) (i) as a guidance, which states that heading 8541 does not cover panels or modules "equipped with elements, however simple, i.e. diodes to control the direction of the current".

Can a solar panel be a generator under a non-dutiable heading 8501?

Where the import duty involved, Customs has an incentive to challenge the importer when the latter classifies solar panels under a non-dutiable heading 8541. Solar panel, exposed to the sun light, generates DC current, however it is not a generator in terms of 8501 yet.

Which HTS classifications should importers report?

In addition to reporting the Chapter 85 Harmonized Tariff Schedule (HTS) classification for the imported merchandise, importers shall report the following HTS classifications for imported merchandise subject to the quota: 9903.45.21 In-Quota for cells (low rate) 9903.45.22 Over Quota for cells (high rate) CSPV modules (additional duty)

The items concerned are aluminum solar panel frame parts. The three separate parts (long frame, short frame and corner clips) are used to frame an assembly of solar cells (laminates). The ...

Crystalline Silicon Photovoltaic (CSPV) Cells and Modules as specified in the Presidential Proclamation signed February 4, 2022. QUOTA PERIOD for CSPV Cells: ...

The Nigeria Customs Service (NCS) has said that solar panels still remain one of the items with free import duty. The service made the clarification in a circular number ...

Example of the current Customs classification rulings: CBP ruling N160415 for solar panel with power modulator -- <https://rulings.cbp.gov/ruling/N160415> was classified as 8501

Indian solar module manufacturer Waaree Energies has started trial production at its 5.4GW cell production facility in Chikhli, Gujarat. SECI awards 2GW solar-plus-storage in ...

The import regulation code &quot;468&quot; indicates that the importation of cells requires a Certificate of Origin (CO) issued by the government of the exporting country, the government ...

U.S. Customs and Border Protection has recently taken or is considering taking the following actions affecting the tariff classification of certain solar modules, magnetic sleeves, silicone ...

Customs Duty On, HS 85414012, Import Duty Calculator Of 85414012, Import Duty In India On, :SOLAR CELLS, ASSEMBLED IN MODULES OR MADE UP INTO PANELS About Us ...

We rejected the proposed classification of 8541.40.60, HTSUS, which provided for "Photosensitive semiconductor devices, including photovoltaic cells whether or not assembled in modules or ...

Sub: Clarification regarding classification of Solar Panels/Module equipped with elements-reg. Attention of all importers, Customs Brokers and all stakeholders is invited to CBIC's Instruction ...

The Solar 201 safeguard establishes a tariff-rate quota and additional duties on imports of CSPV "cells" and "modules." In particular, the proclamation calls for amendment of Chapter 99, ...
