Our pre-assembled, pre-wired and pre-tested Wattkit boxes take the concept of fast, easy and safe solar energy system installations to a new level of performance, value and flexibility.

Explore the Projoy AC Isolator 32A 4pole, designed for efficient renewable energy equipment installations. Renewable energy equipment solution with advanced features for performance and durability. Perfect for solar and EV installation projects, this product offers flexibility and convenience. Order now from Eco Trade Supplies with next-day delivery in the UK.

Projoy PEDS150H Series DC Isolator is developed for solar PV high power voltage. Modular design and compact design for PV inverters, combiner boxes and a full range of DC applications. Up to 1500V, 63A Various Installation methods Various connection methods High Electrical life ...
