

How much power does the Senna battery pack have

What is your battery life like on the Sena?

After that, we had sporadic battery life (between the four of us). Our daily hours on the motors wasn't as long as that first day, but occasionally one of the Senas would just poop out with "Low battery". The Sena lady would say "low battery" and within 30 seconds . . . it'd power down. We charged every night, usually 10 to 12 hours of charging.

How fast is a P1 compared to a Senna?

The P1's takes half a second out of the Senna's 0 to 186 mph, and it's faster overall at 217 mph against 211 mph. But next-gen aero and chassis control systems mean a P1 is unlikely to see which way the Senna went in the corners.

How fast is a Senna 720s vs a P1?

On paper it pushes the P1 hard, 0 to 60 mph coming up in just 2.7 seconds and 0 to 124 mph in 6.8 seconds - the latter a whole second faster than the 720S. The P1's takes half a second out of the Senna's 0 to 186 mph, and it's faster overall at 217 mph against 211 mph.

How much does a Senna 720s weigh?

The Senna is your answer. Sure, 789 horsepower from an evolution of the 4.0-liter V8 in the 720S plays the P1's hybrid-assisted 903 bhp. But the Senna's lightest possible dry weight of 2,641 pounds is more than 400 pounds less than the P1, twin-scroll turbos compensating for the lack of torque-filling electric boost.

How much does a McLaren Senna cost?

For all its functional brutality, McLaren wants you to know that the Senna is designed to engage at an emotional level, too, even at road speeds. Can't live without your creature comforts? You can option air-con and a special Bowers & Wilkins audio system back in, the latter costing you \$5,860 and an additional 16.1 pounds on the scales.

Are 00 Senna Supercars ugly?

00 Senna supercars sight unseen, nearly a third of those heading to U.S. owners. "It's not meant to be pretty," McLaren boss Mike Flewitt tells us. "Ultimate Series cars are about focus in one area. In the Senna, it's aero and track performance first." Still think it's too ugly? Save your breath.
