

Where can I buy a lithium battery in the UK?

That's where Fogstar comes in - we're the UK's 'go-to' for all things lithium batteries. We've got a huge range of high-quality, affordable lithium batteries to suit your every need, from everyday essentials like 18650 doorbell battery kits to advanced power solutions for your leisure vehicle or solar energy system.

Can you buy a lithium battery directly from a manufacturer?

However, a few lithium battery manufacturers sell their batteries direct to the public. Being able to buy direct from the manufacturer offers a few advantages. The battery manufacturer often knows more about their batteries than anyone and can answer any questions you have. They can even help you design the optimal system.

What is a lithium battery?

The lithium technology makes these batteries lighter than regular alkaline batteries. For mobile applications this technology should be preferred. Looking for a Lithium Battery? ? We stock a great high quality selection from big brands such as Varta, Bosch, Exide and many more. Next Day Delivery!
