

Can a Chinese solar greenhouse maximize solar energy utilization?

Given the aging of greenhouse facility, there is a need for investigating the transformation of existing greenhouses to maximize solar energy utilization. In this study, Chinese solar greenhouse (CSG) in the Beijing area served as an optimized prototype. A mathematical model was established to determine the range of CSG vertex positions.

How to optimize Chinese solar greenhouse?

The greenhouse optimizing strategy combined lighting, heat storage and safety. The average solar radiation and temperature increased by 5.4 MJ m⁻² and 3.1 °C. The cost of optimizing Chinese solar greenhouse can be repaid in 1.6 years. The proposed framework can be applied to solar greenhouses at any latitude.

Which CSG is best for Chinese solar greenhouse?

Total light interception and daily effective accumulated temperature of Chinese solar greenhouse with different lighting roof shapes. According to the above obtained results, the five CSGs with the optimum performance have been determined (S09, S109, S110, S120, S121).

Can Chinese solar greenhouses be repaid in 1.6 years?

The cost of optimizing Chinese solar greenhouse can be repaid in 1.6 years. The proposed framework can be applied to solar greenhouses at any latitude. Given the aging of greenhouse facility, there is a need for investigating the transformation of existing greenhouses to maximize solar energy utilization.

How to increase planting area of solar greenhouse?

Chinese sunken solar greenhouse Another way to increase the effective planting area of greenhouse is to dig down the ground. This greenhouse, known as the Chinese sunken solar greenhouses, are widely used in China's Shandong, Hebei provinces and northwest regions (Fig. 12).

What is a Chinese greenhouse?

Originally developed in China to feed millions, Chinese greenhouses are earth-sheltered, solar-heated, east-west oriented, intelligently glazed, and well-insulated.

Anern AN-ISGL02/02-D series solar courtyard lights adopt a circular appearance design and are mainly used in courtyards, parks, commercial plazas, sidewalks, etc. The unique round ...

Hot Selling Outdoor Home House Use New Solar Lamp Products Unique Solar Lights Modern Outdoor Solar Light Garden Solar Power Garden Light FOB Price: US \$80-89 / Piece Min. Order: 1 Piece
