

Why should you choose Kyoto Japan batteries?

Highest standards of quality, endurance and safety tests, including the Roll-Over Test, comply well with the requirements of automobile manufacturers. Kyoto Japan batteries are presented in an attractive mobile stand for display in service stations, retail outlets and auto showrooms.

Are batteries covered by a warranty?

Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work? The guarantee covers any manufacturing defects which arise within the guarantee period.

Is a car battery warranty transferable?

Your car battery guarantee isn't transferable between vehicles. Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work?

Where can I buy a sealed maintenance-free starter battery with magic-eye?

Japan produces a range of Sealed Maintenance-Free Starter Batteries with Magic-Eye in Italy according to highest international standards for European, American and Asian cars, trucks & buses. Highest standards of quality, endurance and safety tests, including the Roll-Over Test, comply well with the requirements of automobile manufacturers.

What is a car battery guarantee?

Lifetime guarantee refers to the lifetime of your vehicle (unfortunately not the customer!) Your car battery guarantee isn't transferable between vehicles.

What if my battery is faulty?

If the battery is found to be faulty, we'll happily replace it for you. If you experience any problems with your battery which haven't arisen as a result of a manufacturing defect, we're unable to provide a replacement battery. The guarantee on any replacement battery will expire on the original battery's guarantee expiry date.
