These are the cells I plan to purchase, seems to be from a legitimate seller and a good price, maybe not the best recommendation as the quality definitely is not guaranteed but I don't mind a bit of a gamble. I removed my aliexpress link as those Liitokala, and Aliexpress do not have a good track record.

## **Which lithium battery pack is of good quality**

The LiCB CR2032 3V Lithium Battery(10-Pack) offers a high-quality, 3V charge with a 3-year shelf life. These button cell batteries are versatile and are suitable for various ...
